Don't Miss The Next BIG DEAL

We do not keep your email on file unless you ask to be notified of future Big Deals.

Big Deals are only offered 2 - 4 times a year so we won't be cluttering your inbox with emails. We only send email when we have something BIG to share. Click the Subscribe Button below so you won't miss the next Big Deal.

3 Ways To Stay In Touch With Your Favorite Designers

1. Like, Comment, and Share posts from their Facebook Page.
This will let Facebook know you like what you see and they will put more posts from the designer on your timeline.
2. Join Designer Groups
Many designers offer some of their best deals inside of their groups. If you found a new designer in the Big Deal that fits your scrapbooking style, join their group.
3. Subscribe to their Newsletter
Not all designers send newsletters but if they do, it is probably filled with new releases, exclusive bonuses, and plenty of layout inspiration.
