

DSD 2018 BIG DEAL Download Tracker

There are 331 Downloads included in the DSD2018 Big Deal. Some zips have been combined to reduce the total number of downloads.

We recommend you [Download our DSD Master Download Folder Here](#). Inside you will find a folder for each of the participating designers. Download to the individual folders first and then unzip to confirm you have all files.

This form was created in Google Drive. If you are a Google user, you can easily copy it to your own Google Drive.

Copy To Your Google Drive

- Choose File at the top of the page
- Choose Make A Copy
- Add your Design Name to the Document Title
- Navigate to the folder of your choice on your Google Drive
- Save/OK

Print

- If you prefer to print and highlight:
- Open the PDF included in this folder

Each Designer name below is linked to their Facebook page. If you love what they contributed, we've made it easy for you to visit their page and share a quick note of appreciation.

If you want to see more from these designers in your Facebook feed, be sure to Like & Follow their page. Leaving comments or simply clicking the Like button will also help Facebook know that you're interested in what the designer posts and want to see more of it.

Email admin@thecthotspot.com if you have any problems with downloads or unzipping. The designers do not have access to these files. You may also [Message us on Facebook](#).

All DONE? It's time to scrap!

Did you know designers LOVE it when they get to see what you've made with their products?

Feel free to share your digital masterpieces on their pages.
